## RECORD OF THE PAST

### No Stronger Evidence Can Be Had In Maysville

Look well to their record. What they have done many times in years gone by is the best guarantee of future results. Anyone with a bad back; any reader suffering from urinary troubles, from kidney ills, should find comforting words in the following statement.

Mrs. John Burns, Maysville, says: "I was subject to severe spells of backache and kidney trouble. They came on every three or six months and at times I was confined to bed and almost helpless. I used Doan's Kidney Pills and they gave me quick benefit. Since then when I have noticed slight return attacks of backache, I have used Doan's Kidney Pills and they have never failed to quickly check the trouble."

OVER SEVEN YEARS LATER Mrs. Burns said: "The statement I gave before praising Doan's Kidney Pills still holds good. I know that this medicine acts as represented."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Burns has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

Mrs. Rosa Schweitzer, wife of George Schweitzer, Sr., living near Augusta, died at 11 o'clock Sunday night from the effects of an acute attack of the grip. Mrs. Schweitzer had been a sufferer from dropsy for the last two years and only recently returned from the Maysville hospital.

After all the frocks had been accounted for and the limit reached, two Brown county, Ohio, farmers now bring in two tailless calves.

## SAID

another one of our satisfied customers last week:

### "YOU CERTAINLY ARE

working to the interest of us Farmers this winter. I have never before been able to make as

a sale on the Maysville market as I have this year. I see that by moving our loads from one house to another you are able to get us quicker sale and save us the expense of a day or two away from home. That is what we want. The saving on my expenses this year have more than paid my fees for selling with you. I like your present plan very much."

We are doing just what this man said.

### WORKING TO THE INTEREST OF THE FARMERS.

And we mean to keep it up and prove its truth to the satisfaction of all. Come and see how carefully we handle Tobacco. That is the reason we have been able to sell the

### SUNDAY SCHOOL LESSON.

Lesson for January 23.

"THE SPIRIT OF LIFE."

Romans 8:12-30.

(By Rev. A. F. Stahl.)

\*\*\*\*\*

Golden Text—"As many as are led by the spirit of God, these are the sons of God." Fourteenth verse.

Man is a dual creature in that he has a carnal and a spiritual nature. He is of the earth, born of the flesh and is thus linked with the material. He also has the privilege of being born of the Spirit and so be linked in kinship with all the heavenly hosts.

**The Material or Carnal Nature.**

The natural inclination is to let the fleshly side of our nature have its way. It is the way of least resistance. It takes an effort to master these inclinations. This effort many people will not make. Many so-called good people are living entirely after the flesh. They may not think so, because they are not committing the grosser sins; but they live entirely for self. Selfishness, stinginess, haughty pride, love of fame, etc., are classed with gluttony, drunkenness and fornication as fruits of the flesh. Whenever Christians or others make excuses for not doing their religious duty, it is another way of saying they are living after the flesh or for self. The unwillingness to make a sacrifice for others or for the church of the Living God proves that that person is not living after the Spirit.

**The Spiritual Side of Man's Nature.**

Paul says we are not debtors to live after the flesh. (That leads to death. "She that liveth in sin is dead while she liveth.") But we are to live after the spirit. Paul gives us his reason for this statement that all who are Christians have received the Spirit. By the Holy Spirit, those who confess and obey Christ are quickened into new life. This Spirit was promised by Peter according to last Sunday's lesson, to all who were baptized. His words were "Be baptized every one of you in the name of Jesus Christ unto the redemption of your sins; and ye shall receive the gift of the Holy Spirit." This promise was to the Jews and to all anywhere who would accept the call through the Gospel. This then explains why Paul would say: "Therefore we should live after the Spirit." This is the New Birth, "born of water and of the Spirit." Through our obedience God has adopted us. We should therefore as Christians, have the fruits of the Spirit, viz. "love, joy, peace, longsuffering, kindness, goodness, faithfulness, meekness, self control, against which there is no law."

**The True Life.**

The conclusion then is that the true life is a life of self-forgetfulness, self-sacrificing service for others. Though we will always in the flesh and influenced by some by the flesh, we are not to be mastered by the flesh. As Paul would say "I keep my body under."

## THOS. L. EWAN & CO.

REAL ESTATE AND LOAN AGENT

Farmers & Traders Bank Building, Maysville, Ky.

## HOW'S THIS?

The average on the 188,080 pounds we sold the past week was \$11.68, while the whole market was \$10.61.

Now, this \$1.07 difference does not indicate that the Buyers (who are intelligent men) can be forced or persuaded into giving us that much advantage, but rather that our Tobacco was better than the average.

All we claim is that we try to prevent any crop or even basket from being neglected, and bid on it up to what we think its value, thus backing our judgment by taking all we bid off, giving the owner a clean sale.

Do you see any difference in this statement and some others you see in print.
